

# RemedyLegal

RemedyLegal is a new after event insurance product, developed specifically and exclusively to provide after event cover for clinical negligence claims funded by conditional fee agreements. It has special features:

- **Deferred premium**
- **Opponents' costs**
- **Own solicitors' costs option**
- **Own disbursements**
- **Available to any solicitor**
- **Available for any suitable case**
- **Competitive premium**
- **Rapid response, simple application**
- **Established underwriters**
- **Each case individually assessed**
- **Specialist clinical negligence product**

Experience has shown early independent case assessment is vital; it saves time and money for lawyers, clients and the health service. There is no assessment fee.

Our pricing structure is simple: the cost of the premium is 20% of the cover required (excluding any tax; any brokerage fee is extra); there are 4 bands:

**£20,000 insurance cover for £4,000 premium**  
**£40,000 insurance cover for £8,000 premium**  
**£60,000 insurance cover for £12,000 premium**  
**£80,000 insurance cover for £16,000 premium**

There is also an own solicitors' costs option of £3,000 for an additional premium of £1,000 (excluding any tax).

RemedyLegal is managed by Clive Petty who has extensive experience of legal expenses insurance. Claims assessment is provided by experienced assessors and supported by a panel of experts.
